## How to Measure

\*Your Cup Size = Bust Measurement - Under Bust Measurement

### STEP 1

#### Measure Your Bust

Bend your body forward at about 45°. Take the measuring tape and measure the circumference of your body around the fullest part of your bust, typically where your nipples are.

### STEP 2

#### Measure Your Underbust

Stand up straight, then take the measuring tape and wrap it around your ribcage, just under your bust. The measuring tape should be parallel to the ground.
